welfare of old, aged and destitute women;

(b) if so, what are the details of such programme; and

(c) if reply to part (b) ahove be m the negative, whether Government would consider the desirability of a programme to be launched for the welfare of old, aged and destitute

len in future?

THE DEPUTY MINISTER IN THE MINISTRY OF WELFARE (SHRIMATI SUMATI ORAON): (a) No new programme for welfare of the old, aged and destitute women has been launched. Assistance is being provided through old age pensions by the States. Besides, the Government of India has been providing grants-, a limited scale to voluntary organisatons for Welfare of the aged under the 'General Grant-in-Aid Scheme for Assistance to Voluntary Organisations in the Field of Social Welfare'.

(b) Grants-in-aid being provided to voluntary organisations for various specialised activities, such as maintenance, recreation, Day Care Centre, health check-up etc.

(c) Question does not arise.

(d) if so, the details thereof?

THE MINISTER OF STATE *Vs* THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH) (a) to (d) In pursuance to the visil of a Canadian delegation, headed bj the Canadian Transport Minister, in 1988 an invitation was extended by the Canadian Government to the Urban Development Minister to lead a delegation to that country to study Canada's urban transports possible application in In formal agreement v Canadian Govern visit.

Improvement in capacity utilisation of

487. SHRI
HANSPAL
AGRICULTUK-

(a)whether Government the ter[1] i prove the capa existing plants:

(b) if so. th- quantum of E produced by each 0f industry in the Public Sector the last three ye;

(c) whether import of fertilizers have since been declined during the past few years; and

(d) if not, the stops propose to b> taken to boost the production of fertili zers in the country?

THE MINISTER OF STATE IN THE DEPARTMENT CF FERTILI ZERS IN THE MINISTRY OF AGRI CULTURE (SHRI R. PRABHU); (a! It is Government's constant endeavour to improve the capacity utilisation o: the existing' fertiliser plants.

(b) The production of fertilisers by each of the fertilizer manufacturing units in the public sector during the

fast three years is given in the ttached statement.

See Appendix CXLIX, Annexure Jo. 14].

(c) Yes, Sir. The import of fertiliers has substantially declined from bout 34 lakh tonnes of nutrients in 985-86 to about 10 lakh tonnes in 987-88.

(d) Does not arise.

Directions to States to keep close watch on the price situation

438. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) whether Government have direc ted all States and Union Territories to keep a close watch on the price situation;

(b) whether the prices of all commodities like pulses, vegetables and other common household items are sharply increasing despite directions by Government; and

(c) if so, the reasons therefor and steps Government propose to take to bring prices of essential commodities in control?

THE DEPUTY MINISTER IN THE MINISTRY OF FOOD AND CIVIL SUPPLIES (SHRI D. L. BAITHA): (a) Yes, Sir.

(b) There has been increase in the prices pulses (except Arhar), wheat, jowar, tea and milk during the current financial year 1988-89 till 4-2-1989. In the case of vegetables, the price of potatoes was marginally higher but that of onions was substantially lower. The WPI of edible oils except vanaspati was lower during the current financial year, while WPI of sugar and gur were higher.

(c) The reasons for rise in prices in the case of pulses is attributed to stagnant production i_n the last few years and also due to the increase in the import duty on pulses in October, 1988. Th_e prices of vegetables and edible oils are lower because of increased production of oilseeds, vegetables in general and seasonality factors. The main thrust of the Government policy is to increase the production of essential commodities which are in short supply and to import items to augment the domestic availability. The Government is continuously keeping a close watch on the behaviour of prices and availability of essential commodities and appropriate remedial measures are taken to contain any undue rise in prices. Public Distribution System has been strengthened and more fair price shops have been opened in far-flung and remote areas. Mobile Vans have been pressed into service for distribution of esential items in remote and unserved areas. State Governments have been advised to set up control rooms to keep a continuous watch on the prices and availability of essential commodities. Vigilance Committees have been set up at district levels to ensure smooth functioning of Public Distribution System. The State Governments have also been urged to take stringent actions against hoarders, black-marketeers-and anti-sociai elements under Essential Commodities Act and similar other legislations.

ILO's Offer for more employment in Rural Areas

439. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of LABOUR be pleased to state:

(a) whether the International Labour Organisation has offered technical expertise to India for exploring the possibility of generating more employment in rural areas;

(b) if so, whether Government have Bince accepted the offer of the ILO;
and
